## PROFESSIONAL EXPERIENCE

**Creative & Editorial Intern, Founder's Office | Zupee** *Aug 2026 – Present*

- Owned the end-to-end revamp of the Broadcast Feed feature, restructuring content format and posting cadence, driving a 22% lift in feed engagement and a 12% increase in 7-day return visits.
- Led competitive research on the Generative AI landscape, tracking 40+ tools and companies and synthesizing findings into 6 structured insight briefs on trends, use cases and competitive gaps for the Founder's Office.
- Built a benchmarking framework across 25+ AI creator accounts on Instagram and YouTube, converting follower growth, engagement rate and content-format data into actionable recommendations for creator-led content strategy.
- Partnered across content and brand functions to ship 35+ editorial deliverables (broadcast copy, internal notes, creative briefs), maintaining tone and messaging consistency across app and social touchpoints.

**Intern | TERI (The Energy and Resources Institute)** *Jul 2025 – Sep 2025*

- Designed and ran a structured data-collection process across 150+ respondents and 4 field locations, consolidating primary data into a clean master dataset for analysis.
- Standardised Excel data-entry templates, improving process accuracy and reducing data-entry errors by 15%.
- Synthesised findings and presented key results to a 10-member cross-functional research team; owned 3 sections of the final project report.
- Tracked deliverables and timelines across project workstreams, helping the team hit milestones on schedule.

**Media & Outreach Intern | FEMEV** *Nov 2024 – Jun 2025*

- Led 12 menstrual health awareness drives and on-ground sessions, reaching 800+ students and community members.
- Planned and executed 5 outreach programs end to end — logistics, participant mobilisation and coordination of 15 volunteers — with average attendance of 60+.
- Built and scaled a content engine of 40+ pieces on menstrual health and gender equality, generating 25,000+ impressions and a 30% rise in follower engagement.

## POSITIONS OF RESPONSIBILITY

**Head of Design | Optima, Entrepreneurship Cell, Daulat Ram College** *Oct 2024 – Mar 2025*
